Pastor's Corner

Millions, billions, and trillions of dollars. These words have been before us almost every week, if not every day.

National debt, bail out money, bonuses, losses in personal wealth and many more labels attached to those numbers. There are times when I discover myself suffering from dizziness just trying to comprehend numbers that large.

The latest bit of number mania involves the payment of bonuses by AIG using bailout money. People have responded in anger, some because of a sense of injustice, some because they didn't get the same opportunity, some because they felt deprived in their personal hardships, while others who should be held accountable seem to be reaping rewards.

In reality, the focus upon the idea that we must all scratch and claw to get what we think we deserve and what we think we need translates into the dimension of greed. For the past many years we have lived in the dimension of greed. Get all you can because it may be gone tomorrow. Build the biggest pile of whatever and then guard it with your life, because someone else is going to try and take that pile away from you. Over the past several months we have discovered that the only threat to our welfare has been unbridled greed. Now we are all in the same boat. Remember the story Jesus told of the successful farmer who had so much that he tore down his barns to build bigger barns only to die before he could enjoy the fruits of his efforts? Our barns were houses of cards and a strong breeze has blown them apart.

How do we as Christians respond? Maybe we should return to the dimension of the Kingdom of God. Jesus taught his followers that God wants us to pray for each other, especially

those we think of as enemies. We are to surrender our coat and even our shirt if someone asks for them. The early church shared all things in common so that no one went without. Remember the sharing of a few loaves and fish that fed thousands? The dimension of God's Kingdom is still like that.

This is not an episode in the old "Twilight Zone" series; this is the faith we claim to follow. These are the words we treasure and study in worship and Bible study. They are not fantasy that cannot be applied to the "real" world; they are the world as the Real God created it to be and we must return to it.

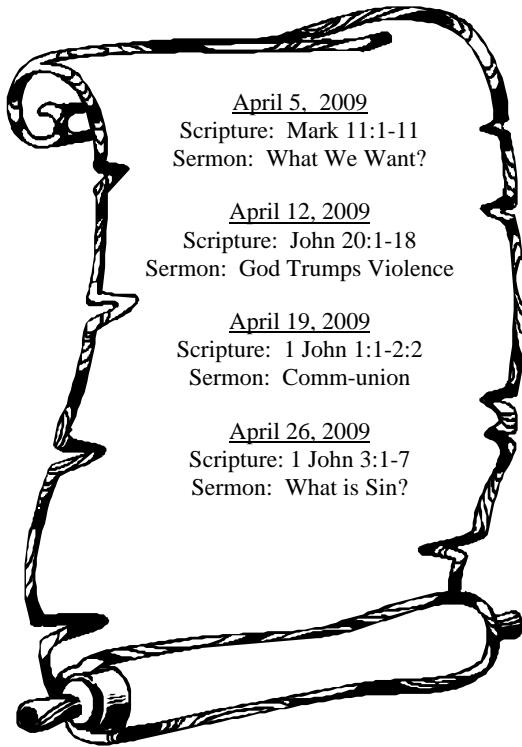

The church must reach out to those suffering from the disasters of greed and welcome them to share in the abundance of God and what God can do through the church. Maybe we can increase the number of potluck dinners (communion in the time of Paul). Maybe we can make resources available such as allowing people looking for jobs to use the church's computer to look for work and polish resumes. Maybe we can come together in small groups to pray and discuss our mistakes and work together in mutual accountability to avoid falling back into the dimension of greed. Maybe we can come back to being the Body of Christ and not just individual, single-celled organisms striving to wriggle around and hoping to survive. As the Body of Christ, not only can we thrive, we can help others to do so as well. DO we not say that all things are possible through God?

Shalom, *Darrell*

The Lighter Side of Observations

- Health nuts are going to feel stupid someday, lying in hospitals dying of nothing.
- Why does a slight tax increase cost you two hundred dollars and a substantial tax cut save you thirty cents?

CWF GRACE GROUP

CWF Grace Group met on March 19th at 6:00 with our quarterly covered dish meal. There were nine ladies attending. After the business meeting, Lois Crawford gave the worship/study lesson titled "The Dead are Raised". Our next meeting will be on Thurs., April 16th at 7:00.

We will be hosting the District Spring Conference this year. It will be held on Saturday, April 4th. Both CWF groups will be working together providing the meal at noon.

On Saturday, April 25 we will have a yard sale from 8:00-2:00. Please keep your yard sale items at your home until April 19th. SUPER SOUP SUNDAY

The CWF M&M Group's Souper Soup Sunday was a great success! God even helped with SNOW to get us all in the mood for some hot soup and warm bread! Many soups of all types were in the competition and the decision of which soup was best was tough. But, the two winners prevailed – runner up was Chicken 'n' Dumplings made by Pat Gunnin. Her award was a huge teacup (planter) with a ladle and soup beans. The winner of all the soups was Jannet Thompson with her Chicken Noodle Soup. She took home a hand-painted apron with a red cape attached. The painted design was made

by Jessica Hebenstreit with a Souper Soup "S" and stating "Super Souper". With donations at the door and change used to vote for your favorite soup, the total amount raised was \$267.07. The M&M Group will use the funds to complete as much of the "Wish List" that has been printed in the newsletter for the past few months. The group will start with the needs of the nursery and keep going from there. Thank you for your support, enthusiasm, and contributions; all together we can accomplish a lot!

Welcome Our New Members

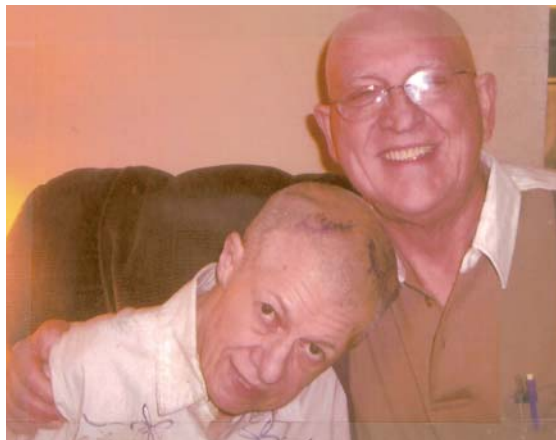

GETTING TO KNOW OUR NEW MEMBERS

I'm Kyle Austin McReynolds. I was born in Pensacola, FL and raised in Warner Robins. I am 15 years old and basketball takes up my schedule. I absolutely love my family with all my heart, and they are the best role models I could have. I enjoy going outside to shoot basketball and I try to do it every day. I enjoy dating girls too. I go to Warner Robins High School and I am in the 9th grade.

Juanita Gunnin was born in Huntsville, AL, the only daughter of the family, having an older brother, now deceased. She left Huntsville and moved to Birmingham in the summer of 1945 where she finished school at Ensley High School in 1947. She was working for Terminal Transportation Company where she met, fell in love and married her husband William (Bill) for 35 yrs. He passed away in 1986. She and Bill were blessed with three wonderful sons – Lee (oldest), Lance (deceased) and Latham (Corey, the youngest). There are 4 loving grandchildren - Joshua & Jessica living in Birmingham and Mariah & Meghan living in CA. Juanita, Corey & Pat will be flying to CA in June for Mariah & Meghan's college graduation.

Juanita was a member of Roebuck Christian Church for 23 years and served as Deaconess, Elder, Financial Secretary of the church and a member of CWF for all those years. She volunteered for Eastern Area Christian Ministries (Food and clothing mission) and also delivered Meals on Wheels for many years. She enjoys reading, walking and making friends. After 77 years living in Alabama she moved to the "Big Little City of Byron" and loves it dearly, and she found her new church family in Warner Robins at First Christian.

A NOTE FROM THE FOLANDS

"Thanks to everyone who sent us cards. They meant so much to Mary Ellen and were encouraging. What she has gone through is not easy, but she is doing great! After two operations, the stimulators have been turned on. We see modest improvements already. The stimulation will be increased gradually and will be adjusted over the next six months before the maximum benefits will be seen. Thank you so much. You can see the incisions where they drilled the holes in her skull to insert the leads"

CHILDREN'S SUNDAY SCHOOL

The children's Sunday school class has taken on a new format. We now have a one-room Sunday school class for ages 4 through 5th grade. The curriculum used is called "Live Big", and it is full of activities, worksheets, Bible stories, videos, and music to help us teach our children the Word of God and the teachings of Jesus. Nicole Crofutt and Juliet Nolde have teamed up to teach the class, and we have already had up to 10 kids in the class! What a great start!

PALM SUNDAY AND EASTER SUNDAY

Palm Sunday and Easter Sunday will be special days for us to celebrate the ever-awesome sacrifice and love of Jesus Christ. On Palm Sunday, join the children during Sunday school by visiting a Jerusalem marketplace. There will be booths where the children use special money to make crafts and to try foods similar to what might have been going on in Jerusalem the day that Jesus rode in on a donkey. Then just before worship, we will wave palms for Jesus and proceed into the sanctuary for worship.

On Easter, let's celebrate together with a continental breakfast in the Fellowship Hall during the Sunday school hour, 10:00 a.m., and an Easter egg hunt for the children. Then we will all worship together on this very special day of our faith.

COUPLES NIGHT OUT

A Couples Night Out is in the works. The tentative date is set for Saturday, April 18th. Meet at El Jalisiense on Russell Pkwy. at 5:30.

EASTER THOUGHTS

Easter is a time of love, of family, and of peace. It is a time when we say a quiet thanks for all that we have and for all that the future holds.

Easter is a feeling in our hearts of hope and faith and trust. It is a day of miracles; a day when our dreams seem a little closer; a time of retrospection for what has been and anticipation of all that will be.

And it is a time for remembering with love and appreciation the people in our lives who make a difference...people like you.

BEAUTY TIPS

Below is a wonderful poem. Audrey Hepburn wrote it when she was asked to share her “beauty tips”. It was read at her funeral years later.

- For attractive lips, speak words of kindness.
- For lovely eyes, seek out the good in people.
- For a slim figure, share your food with the hungry.
- For beautiful hair, let a child run his/her fingers through it once a day.
- For poise, walk with the knowledge that you never walk alone.
- People, even more than things, have to be restored, renewed, revived, reclaimed and redeemed; never throw out anyone.
- Remember, if you ever need a helping hand, you will find one at the end of each of your arms.
- As you grow older, you will discover that you have two hands; one for helping yourself, and the other for helping others.
