March 2014 Number 3

Pastor's
Corner

On March 5, 2014, we will enter the season of Lent. Lent is usually known as the time before Easter when we are to give up something. We often give up something that we don't really need, or something we will be healthier without. While this is not a bad way to mark the time of Lent, it is off the mark of the season. Lent challenges us to acknowledge the brokenness of our relationship with God. In repentance and contrition we are to focus upon ways of accepting the restoration of congruence in our relationship that God offers through the life of Jesus.

In our American society we are convinced that we are more than capable of overcoming challenges with our own individual effort or pull ourselves up by our own bootstraps. That is the way we settled this continent, isn't it? The first colonial arrivals to North America were saved from the harsh conditions of the New World by the native population that already lived here. Families gradually moved west in groups for protection and mutual support. Even today, no one accomplishes success without having encountered teachers, mentors, and others who helped to create the person that child became. Why is it so hard for us to acknowledge that we might need the assistance of our Creator to overcome the gap we have created between humanity and God?

So this Lent, if you give up something that uses your time, spend that time in reflection and starting practices that will deepen your relationship with God. Use the time to study, to pray, to serve others. If you give up something that requires you to spend resources, dedicate that same amount of resources to a cause that reflects the challenge that God gives us, by loving God and loving our brothers and sisters.

While you do these things, don't make a big deal of it. Do not do it to receive praise but rather because you should have been doing these things all along. The biggest challenge of taking on this practice is to not limit it to Lent, but rather to make it a habit that goes on from this point forward. Very rarely do we follow the doctor's advice of losing weight and once the doctor has seen us reach the desired weight, we go out and put all the pounds back. Nor should we take steps to be more devoted to the way of our God only for 40 days. Jesus told his disciples that no greater love can someone have than to lay down their life for another. No greater devotion and love can we show than to lay aside something that will make us more Christ-like.

Shalom, *Darrell*

OUR DESIGNATED FUNDS

We are highlighting two designated funds in our Sunday bulletin. The two funds are the VBS Fund and the Christopher Bedgood Fund. The VBS Fund helps pay for special needs during the Vacation Bible School events that we do every year. These gifts are used during the weekend overnight experience of VBS. The children and adults who participate have a special time. It has been reported that VBS can teach as much as a full year of Sunday School. It is worth the support. This year VBS will be held on June 6-8.

The Christopher Bedgood Fund was started to memorialize a child who died from a brain tumor. His mother wanted to do something for children and presented our church with a gift to provide scholarships for children and youth who want to attend summer camp at Camp Christian, but cannot afford the half the church does not cover. Summer camp is a powerful

God event for children, youth, and the adults who volunteer. Money should not prevent a child from experiencing this blessed time.

Gifts can be made to any of our special funds at any time simply by indicating the amount and the fund to which you wish to give.

“SCRIPTURE”

An elderly woman had just returned to her home from an evening church service when she was startled by an intruder. As she caught the man in the act of robbing her home of its valuables, she yelled, **“STOP! ACTS 2:38!”** (Repent and be baptized, in the name of the Lord, so that your sins may be forgiven.)

The burglar stopped in his tracks. The woman calmly called the police and explained what she had done. As the officer cuffed the man to take him in, he asked the burglar, **“Why did you just stand there? All the old lady did was yell scripture at you.”** **“SCRIPTURE?!”** replied the burglar, **“She said she had an AXE and TWO 38’s!”**
