May 2016 Number 5

As this month begins, the House Groups have finished their first week of meeting. This is part of the Hope Partnership for Missional Transformation. The participants are learning a process that will lead to a big step in how we can answer God's Vision for First Christian Church in Warner Robins.

Whether you are in a group or not, continue to pray for God's guidance as we explore the understanding of what church is and how we can respond to God. This is among the most important things we have done as a congregation.

After the groups meet, the group leaders and I will sort through their decisions and present the assessment to the board and then to the congregation. We all need to be involved in responding to the results of the House Groups efforts.

We are at our best when we come together as the people of God to love as we have been loved. Let us roll up our sleeves and get ready to work for God in Warner Robins.

Shalom, *Darrell*

## DW GRACE GROUP

On Saturday, April 23rd, our Disciple Women hosted the second Spring Conference for the region of Georgia. A lot of work was started on Friday afternoon. Billie Milliken, Dawn McReynolds, Sharon-Kay, Jeannetta Stokes, Rita Youngblood, Mary Jane Rogers, and Judy Barnickel created table decorations, set up the Fellowship Hall, prepped, and cooked food

for Saturday. Our buffet luncheon was enjoyed by all.

Saturday morning, around 50 women from all over the state arrived to attend workshops, worship, and to learn. They also socialized, and reconnected with their friends from around the region.

The ladies donated many items needed for The Salvation Army Safe House.

Those attending the event were so impressed with the work our ladies did that they wanted to propose that Spring Conference be held in Warner Robins every spring.

Thanks so much for our committee consisting of Jeannetta, Mary Jane, Billie, Judy, and Heather Johnson for the success of our Spring Conference.

### **That Is Faith!**

“Faith is your positive response to what God has already done. It is your response to God’s grace. It is not what you must do to make the Lord act on your behalf. You only need to respond to what He has already done. That is faith!”

– Andrew Wommack

Always pray to have eyes that  
see the best in people,  
a heart that forgives the worst,  
a mind that forgets the bad,  
and a soul that never  
loses faith in God.

### **My Hand in God’s Hand**

Each morning when I wake, I say,  
“I place my hand in God’s today!”  
I know He’ll walk close by my side  
my every wandering step to guide.  
He leads me with the tenderest care  
when paths are dark and I despair,  
no need for me to understand  
if I but hold fast to His Hand.  
My hand in His! No surer way  
to walk in safety through each day.  
By His great bounty I am fed!  
Warmed by His love, and comforted.  
When at day’s end I seek my rest  
and realize how much I am blessed,  
My thanks pour out to Him, and then  
I place my hand in God’s again.”

## HOW TO GOOF OFF

My rural trash-removal service requires customers to mark their address on their garbage cans. So I took a can of white spray paint and wrote my street number on a brown rubber can. I set the full can in the back of my SUV and drove it to the refuse-pickup spot. When I returned, I was irked to notice that some paint had rubbed off on the back of the seat; apparently it had not fully dried on the trash can. But it did dry on my car. I tried to remove the paint, but it was stuck fast.

Over the next months, every time I noticed the paint marks on the back of the seat, I felt foolish. A stream of judgment chided me: If you had been more patient and left more time for the paint on the can to dry, this wouldn't have happened. Now you have ruined your car seat, and every time you look at it, you will remember your carelessness. (Do you know that voice?)

Then one day I accompanied a friend to the hardware store to find some paint. On a shelf I noticed a product called "Goof Off," which removes dried paint and other hard-to-get-out stains. I bought a can and applied it to the defiant stain. To my delight, the paint disappeared instantly!

I now see this product—especially its name—as a symbol for forgiveness. The name acknowledges that you made a mistake ("goof"), but also acknowledges that it can be undone ("off"). If you are subject to the tyranny of guilt, this name offers an important teaching: No error is etched in stone. You will always have another chance.

What you believe are your sins are simply errors. Sins require punishment; errors merely call for correction. No one punishes you for your sins more than you do. And no one can relieve you of guilt more than you can. For every indelible paint mark you leave, there is a can of Goof Off to make your car—and life—like new. Maybe even better.
