## **Announcements and General Information:**

### **Winona Smith Memorial Service**

A memorial service will be held for our dear friend Winona at our church on Wednesday, 10 April at 2 in the afternoon. Everyone is cordially invited to attend. Rev Darrell Vandervort will conduct the service. Please call John Glover (478 3354394) if you have any questions.

### **Pastoral Support:**

We look forward to the Revs Armstrong filling the pulpit the first two Sundays in April due to Darrell being out of town for training.

### **Here's the latest news from Darrell:**

I am approaching the end of my first 60 days at Encompass Hospice. I am the Bereavement Coordinator (BC) and Volunteer Coordinator (VC). As BC, I am responsible for caring for all those designated among the family of our patients who need extra care in grief work. I send letters, make visits and phone calls. I will also lead a small group and do an Annual Memorial Service later in the year. As VC I recruit, train, and assign volunteers who will spend time with patients and families under our care. If anyone would be willing to spend at least 4 hours a month with someone for conversation or spouse respite, you know how to reach me.

Shalom, Darrell

### **Good News from the Lab:**

The mold test conducted in the sanctuary came back positive for three of the most common types of non-toxic mold that are found virtually everywhere in this area. Are we stopping here? No. The next step is to conduct another test outside the sanctuary so we can compare the two environments. This will provide a good baseline for additional actions which includes a good bleach solution spraying of any visible mold and replacement of several ceiling tiles. We hope that this will reduce the impact on allergies noted by several members of the congregation.

### **More Good News:**

The point of entry into the communion room for squirrels and other creatures has been sealed with foam and sheet metal. Barring any unknown holes, this should stop the problems we've been having and the evidence of their visits they leave behind. Amen!

### **Please Welcome Sue Kidd**

The good Lord provides once again. Sue is now helping us with our hymns by sharing her skills as a pianist during our services. What a blessing! Shirley and Sue have agreed to share the support once Shirley returns. Sue will be making the hymn selections for each service which will complement the scripture and sermon.

Welcome Spring.

We had a small, but informative meeting this month. We are so excited to let everyone know about our new ministry.

We are making homemade casseroles to go to Heart of GA Hospice. These are delivered to patients and families under hospice care. This month we are doing breakfast casseroles. We will be meeting at 6 to make casseroles and 7 for our regular meeting. Contact Mary Ann or Jeannetta for more details.

Get ready our annual Christmas in July vendor event is coming up on July 13. This is a great event to get some great custom items as well as support local business women. Mark your calendars so you can come out and join us.

We will be getting ready for our election of new officers. If you are interested in helping the group, please see Jeannetta. We have lots of things that you can do.

Thanks for all the support from everyone.

Blessings.
